

# Pure Lead Products

A Division of Heartland Metals, Inc  
MANUFACTURER

"Since 1935"

MADE IN FLORIDA /USA

Pure Lead Products lead-backed gypsum wallboard is furnished as 1/2" and 5/8" fire code gypsum board meeting classification ASTM C 1396 with pure lead sheet meeting federal specification QQ-L-201 F, which is factory laminated to the back side of the gypsum panel. The lead extends over the width of the gypsum board and 2" strips are included to cover the vertical joints between each of the boards. Strips are also required at the comers. Shielding accessories for installation include 2" lead strips, lead discs for screw penetrations, and sheet lead for backing and shielding of cutouts for electrical, plumbing, medical gas, or other penetrations as well as comers.
